

# Scholarship Application

## Summary

The former Builders & Associates of Blount County chapter has consolidated its funds, totaling nearly \$450,000, into the Foundation for Future Building Trades to support the next generation of construction professionals. These funds will establish classroom grants and scholarships designed to encourage students to pursue careers in construction, with a special emphasis on residential buildings.

## Scholarship Details

We are awarding three scholarships of up to \$2,500 each (totaling \$7,500) to deserving students at Maryville High School, William Blount High School, and Heritage High School. If funds remain unclaimed or not fully utilized, additional scholarships may be awarded to other eligible students.

## Funding Categories

Students may apply for funding under one of two categories:

- Educational Costs: Tuition, books, and fees at an educational institution.
- Employment Costs: Tools, equipment, or other necessities required to begin a construction job.

## Application Instructions
